This is an Correction of the published paper: A Commemorative Issue on 50 Years of Organoselenium Chemistry: Celebrating the 80th Birthday of Professor Alain Krief.

To better introduce the aims and scope of the Special Issue on 50 Years of Selenium Organic Chemistry- Celebrating the 80th Birthday of Professor Alain Krief, the author made the following corrections to the Editorial:

Expanded on Professor Krief's significant contributions to selenium chemistry. Provided a comprehensive summary of the published articles in the Special Issue that align with its overarching objectives

We apologize for any inconvenience this may have caused and state that the scientific conclusions are unaffected. The original article has been updated^[1].
